CARPET CUSHION TECHNOLOGY

STAINMASTER® PLUS CARPET CUSHION

Featuring ODOR GUARD Technology

STAINMASTER PLUS® carpet cushion features an exclusive moisture barrier and ODOR GUARD Technology

ODOR GUARD technology works naturally on common stains, activating the system's powerful enzymatic cleaning action. If a spill penetrates the carpet backing, the technology will continuously and permanently eliminate even the most offensive odors.

Carpet Odor and Spot Remover, featuring ODOR GUARD technology, is the perfect companion to your STAINMASTER PLUS® carpet cushion. It treats spills that do not penetrate the carpet backing. It is safe and effective, but is not recommended for carpets made of cotton or with anti-microbial treatment.

Cushion Warranty. Your new carpet cushion carries Carpenter's "Fully Transferable Life of the Home" Warranty. We warrant that our carpet cushion will offer luxurious comfort and outstanding support for as long as you own and reside in your home. If it fails to do this, we will replace it free of charge, including labor charges.

ODOR GUARD Technology Warranty. Your satisfaction with the ODOR GUARD Technology is guaranteed. STAINMASTER PLUS® carpet cushion is produced with special odor-fighting enzymes that eliminate organic odors. Carpet Odor and Spot Remover removes both odors and stains from carpet and cushion – including difficult organic odors and many common household stains like pet accidents, blood, baby formula, dirt and grass. This system is not effective on airborne odors or non-organic spills such as paint, nail polish, etc.

These warranties apply to properly installed wall-to-wall residential installations only. The warranties will become void if the product shows visible signs of careless handling or if the product is ripped or torn. **Our express warranties are in lieu of all other warranties, express or implied, including, without limitation, any implied warranty of merchantability or fitness for a particular purpose. In no event will Carpenter be liable for incidental or consequential damages of any kind, including, but not limited to, any damages to carpet, whether such damages are claimed on account of breach of warranty, breach of contract, negligence or strict/product liability, including, without limitation, damage to property or other economic losses.**

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you. These warranties give you specific legal rights, and you may also have other rights which vary from state to state.

For service or questions, related to the Cushion Warranty, write to Carpenter Co., Carpet Cushion Division, 5016 Monument Avenue, Richmond, VA 23230.

When installed under STAINMASTER® Carpet, STAINMASTER PLUS® Carpet Cushion extends the carpet's warranty. For details about this warranty call 1-800-438-7688.

WARNING

URETHANE FOAM IS FLAMMABLE!

Urethane foam will burn if exposed to an open flame or other sufficient heat source. Do not expose urethane foam to open flames or any other direct or indirect high temperature ignition sources such as burning operations, welding, burning cigarettes, space heaters or naked lights.

Once ignited, urethane foam will burn rapidly, releasing great heat and consuming oxygen at a high rate. In an enclosed space the resulting deficiency of oxygen will present a danger of suffocation to the occupants. Hazardous gases released by the burning foam can be incapacitating or fatal to human beings if inhaled in sufficient quantities.

Once ignited, urethane foam is difficult to extinguish. Foam fires that appear to be extinguished may smolder and reignite. Always have fire officials determine whether a fire has been extinguished.

The underlayment is to be used only beneath carpet. Do not use for any other purpose.
